Association Activities 2015 - 2016

The GAHK Annual dinner, our annual “big bash”. As always, a lot of our gem buddies were there. It was our pleasure to have Mr Stanley Lau as our guest of honour (Fig. 2) and we were delighted to see Alan Hodgkinson again (Fig. 3) as the representative of Gem-A. Sincere congratulations to all the graduates (Figs. 4 and 5). We wish them continued success. Thanks to all the directors (Fig. 1), and especially to the annual dinner working team for making it a great success once again. We hope to see you all at this year’s event in November.
